

25 MG PER SERVING

calm

Premium CBD Oil [750 mg]

Experience the calming benefits of organically grown broad spectrum CBD oil, in a fast-acting tincture with a refreshing mint flavor.

7 Reasons to Use Calm Premium CBD Oil

1 Fights Temporary Inflammation

Terpenes, flavonoids and cannabinoids in broad spectrum CBD oil help cool the effects of temporary inflammation.

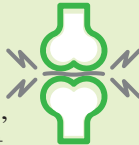

2 Eases Everyday Stress

Evidence suggests that cannabidiol (CBD) can help relieve the effects of stress by reducing cortisol in the body.

3 Calms Joint Discomfort

Rich in cannabinoids and with 25mg of CBD in every serving plus beneficial omegas, Calm CBD Oil may ease joint discomfort.

4 Supports Restful Sleep

A scientific review of cannabidiol (CBD) suggests it promotes restful sleep, even for those who struggle with sleep.

5 Promotes a Healthy Heart

Our broad spectrum CBD oil is a natural source of heart-healthy essential fatty acids, with omega-3, omega-6 and omega-9.

6 Fights Free Radicals

CBD oil contains powerful antioxidants that fight free radicals and reduce oxidative stress in the body.

7 Supports Exercise Recovery

Along with soothing temporary inflammation, broad spectrum CBD oil has cannabigerol which supports muscle health.

the good inside

SUPER GENETICS

Organically grown, our CBD comes from superior genetic strains of hemp that deliver beneficial results for body and mind.

ADVANCED ABSORPTION

Our tincture features nano-emulsion technology for tiny droplets that are absorbed quickly for fast relief and results.

BROAD SPECTRUM

Calm Premium CBD Oil contains a broad spectrum of beneficial cannabinoids, terpenes and flavonoids, without any THC.

LAB TESTED

Each batch of our CBD oil is tested for no THC. It's also free of heavy metals and pesticides. It's just pure goodness.

Suggested Use: Shake well. Place drops under tongue for 60 seconds, then swallow. As with any supplement, consult your health care practitioner before using.
