

soothe

Topical CBD Balm [600 mg]

Soothe muscles and joints with a fast-acting topical balm featuring broad spectrum, organically grown hemp and the refreshing, relaxing scent of lavender and eucalyptus.

5 Benefits of Soothe Topical CBD Balm

1 Fights Temporary Inflammation

Terpenes, flavonoids and cannabinoids in broad spectrum CBD oil help cool the effects of temporary inflammation.

2 Soothing Relief For Muscles

Broad spectrum CBD oil, MCTs, and the beneficial essential oils lavender and eucalyptus help rub out muscle aches.

3 Eases Joint Discomfort

A targeted application of cannabinoids from hemp provides soothing comfort directly to joints.

4 Promotes Healthy Skin

Nourish the health of your skin with antioxidant-rich hemp, essential oils, moisturizing MCTs, and protective beeswax.

5 Supports Exercise Recovery

Apply topical CBD balm directly to hardworking muscles to promote recovery after exercise.

the good inside

SUPER GENETICS

Organically grown, our CBD comes from superior genetic strains of hemp that deliver beneficial results for health and well-being.

BROAD SPECTRUM

Soothe Topical CBD Balm contains a broad spectrum of beneficial cannabinoids, terpenes and flavonoids, without any THC.

TARGETED APPLICATION

By applying our topical CBD oil balm directly to skin, you can target the source of any discomfort for fast relief.

LAB TESTED

Each batch of our CBD oil is tested for no THC. It's also free of heavy metals and pesticides. It's just pure goodness.

Suggested Use: Apply a small amount directly to areas of muscle and joint discomfort, rubbing until absorbed. Use daily or as needed.
